It is good to be dancing again! I hope everyone has been staying safe and healthy.

The 2020 MVDC Honor Dancers, Don and Jackie Koehler of the Curli Qs Square and Round Dance Club, will continue as MVDC Honor Dancers for 2021 since the benefits of the award were not available to them because of cancelled dances due to the Coronavirus in 2020. The Honor Dance for 2021 was cancelled. There will not be an Honor Dance in 2022. New Honor Dancers will be chosen for 2022 and the next Honor Dance will be on March 5, 2023.

When your club members reach the various levels or if there is a club anniversary, submit the information to me so that proper recognition can be given.

The MVDC Friendship Badge encourages dancers to visit other square dance clubs where they are not a member and not raiding or retrieving. Contact your Raid Chair or visit the MVDC website for more information.

### Bob's World of Square Dancing Comments

Bob Jones was always welcoming and happy to see everyone. If he didn't remember your name, he made one up for you. Greg was Craig-O or Gary. I was some other name and we all laughed. He had enormous patience and kindness for all the students at lesson class. His smile and all the laughter will be greatly missed.

—Karen and Greg Townley

Bob was an enthusiastic promoter of square dancing and will be missed.

—Rick N Belinda

He will be greatly missed.

—Carol Thorniley Pabst

I went to Branson Missouri for a Bob Jones sponsored square dance. Dancing to Bob calling was fun. It got funny because I coined Bob's favorite call, Square your Set! Lol. Bob has us dancers all confused. Lol. He did get me back, I was the innocent victim to "Willie" the elephant!! I was a good sport even though I was soaked as Willie had a water bottle "accident" on me!! Lol

— George Hughes

Bob Jones made square dance training fun. We enjoyed learning and laughing with Bob and his wife. He always would answer questions and do it again if needed. Bob said "most important thing in square dancing is keep it Fun". Thanks to Bob, my husband and I will keep dancing.

Yellow Rock,

—Annette and Darrell

I went to Branson with Bob and Janice. Roxie and Larry we had so much fun. He was the life of the party. He was a person that loved everyone and always made you feel comfortable.

He was an awesome instructor and an awesome caller. I will miss him and the time we all spent together. He has a strong angel with him. He will never be forgotten. Loved him and Janice.

—Cindy Gilfillen

Over the years my Joyce and I have known the memories that really stand out are those from our several trips to Branson for his dancing in Branson weekends. His emphasis on enjoying dancing with all the skits and fun times he made sure were part of the weekends will always be remembered.

—Ron Whisler

Ryan and I have so many wonderful memories of Bob. One memory that we will never forget is learning to dance many years ago to Rocky Top. I think Bob used to call that song at least five or six times during every lesson class. Another memory I have is his heart and love he projected onto everyone. Every time my family would come into the Dance hall oh, he would shout across the hall "the gang's all here." He had the best and most sincere hugs.

—Cindy and Ryan Fleming

## Ken Roberts Memory Page

Kenneth Kelly Roberts, son of James W. & Ruth Kathryn Kelly Roberts, was born June 8, 1948 and was raised in Kitts Hill, Ohio.

After graduation from Rock Hill High School, Ken began a long career working with lumber and in construction. An excellent carpenter, he was always building, fixing, or renovating something for someone.

He married Shirley Ann Staten and to this union was born two children, Kelly Kathaleen and Kenneth Scott. In 1995, he married Deborah Derksen.

Square Dancing and Calling were two of Ken's passions. He loved the relationships he developed with fellow dancers and the healthy exercise it encouraged.

He also loved traveling to new and historical places. One of Ken's many talents was singing, and he thrilled to use his voice to sing praises to his Lord. Ken trusted Jesus to be his personal Savior at the age of 12 or 13, and at the time of his passing was a faithful member of Blessed Hope Baptist Church. He considered his church family dear to his heart and found in them a loving church home. His love for Jesus and testimony of kindness leave us an example to follow.

Ken loved all of these things dearly, but there was nothing he loved quite as much as his family. He is survived by a daughter, Kelly and her husband Donnie; a son, Scott and his partner, Gayle; nine grandchildren Maggie (Jake) Schueler, Caleb (Abby) Ball, Stephen Ball, Benjamin Ball, Jenna (Zach) Danner, Kyla Roberts, Laken Brown, Trevor Ripberger, Taylor Ripberger;

six great-grandchildren, Clark Schueler, Nimai, Zaina, Jaxon and Rylee Danner, and Lincoln Glodrey; a special friend, Nancy Hendrickson; one sister, Shirley Saunders; many beloved nieces, and nephews; and countless friends.

He is preceded in death by his parents, two brothers (Bill and Jim Roberts), one sister (Janet Cade), and his wife, Deborah.

Ken's life and love have left behind an indelible mark upon all who knew and loved him. While we certainly grieve our loss, we rejoice in the promise of the glad reunion day in Heaven for all who know the Lord as their Savior.

## Ken's World of Square Dancing Comments

Ken was a very kind, patient, sensitive, loving, caring, sharing thoughtful person and lots of Fun to be around. He loved his 2 children and 6 grandchildren and 6 great grandchildren deeply. He loved his Precious Heavenly Father. There was never a doubt that Jesus Christ was his Lord and Savior. He hardly ever missed a service when the church doors were open. He would sing Solos at his church often.

Clinton County Country Squares was his second home, it was where he started calling with Jim Erbaugh.

Ken loved nature and the country. He studied forestry in college. Ken was an Eagle Scout. He was the happiest when we would go tent camping in the hills of Eastern Ohio. We had a tent blow away one stormy evening, he had to fetch it out of the lake. He would build the best campfires and roast s'mores.

Ken's favorite Pie was Cherry, favorite cookie was Snickerdoodles, Jelly was blackberry, fruit was bananas and his favorite color was blue. Ken loved to dance!

Ken loved Remodeling buildings and working with his hands. He was a wonderful carpenter and a great problem solver. He would always say, "If you can dream it, I can build it".

Ken enjoyed being around people and traveling to square dance conventions, singing, going on cruises, snorkeling, visiting quiet warm vacation spots and Presidential libraries. He was to 49 states (Alaska was to be this year), 2 territories, and several countries.

He was very competitive. He would never "let" you win at Euchre or corn hole. If you beat him, you earned it fair and square.

He gave the best Yellow Rocks!!!

I loved Ken to the moon and back!!! —  
— Nancy Hendrickson

Just happened to capture these smiles at the 65th Convention. — Char Grim

Ken Roberts was the best teacher of square dancing I ever encountered. He taught the definition of each call, and spent most of the 2-hour lesson reviewing and practicing previously taught calls; teaching 3 new calls per night. He was very descriptive of the proper moves and turns to complete each call by the definition, had great patience, and was very encouraging to new dancers when they got frustrated. He believed that repetition would help develop the muscle memory needed to be a successful dancer.

Ken also taught not to "hold on" to people; if someone was going the wrong way, let them go; it's too easy to injure someone by holding on or gripping too tightly. He said each contact with a person, should be a "touch" not a "grip"; and the thumb should remain parallel to the index finger.

Many dancers now don't remember this, but Ken taught that over & over. He was very concerned about people getting injured joints from someone gripping too tightly or twisting an arm.

Ken believed by learning square dancing in this way everyone would have fun; and he most wanted people to enjoy dancing and having fun. We will sorely miss his teaching and calling.

## Ken's World of Square Dancing Comments

Ken started a Square Dance Club, Sunshine Squares, and upon Graduation, they formed the Gem City Squares. Ken was a good guy and great teacher leading many into our activity.

Ken's favorite dance was the Palm Sunday Hallelujah Jubilee, singing gospel songs many times with Pam Courts and Sheila Collins.

Weekend Dances include R&R Weekend with Dorothy and John Rosa Rosa and Moonbow in Kentucky. Nice Memories!

Picture is from a Gem City Demo. —

I am a Charter Member of Gem City as I helped Angel that first Class. I forget the year, maybe late 80's.

Fay Samborski was also a Charter Member.

Jon and I took square dance lessons from Ken a few years ago. I think Ken was so patient and kind to us as new dancers and was always ready to help you with anything causing you problems. Over the years we would go out following lessons and often Gem City dances to Applebees and most always Ken would also come and join in. He was easy to talk with and very knowledgeable when it came to square dancing. We shall miss our dear friend at Gem City Squares.

—Jon & Vivian Lenehan

The first time I ever saw Ken, him and Nancy were walking around the Corn Festival dressed for dance - my first thought was "they are dressed kind of funny ". I was to find out the following Tuesday who he was and did I ever learn what a "Special " person he was and that he had a heart of passion not only for square dancing , but also for God and all of mankind. To say that he became a friend is an understatement because he was a friend to all, but he was special to all of his square dance friends and they were special to him. I know that Clinton County already misses him and he can never be replaced by someone like him. Have fun in heaven and I will see you when I get there.

—Wayne Ames

My favorite Ken Roberts moment was one time during a lesson class, I was in a square up close to the caller's stand at the Pavilion and Ken called Relay the Duecey, well I did turn and there was no one there, so I just ran to my spot where I would have ended up!! Ken caught me doing that and called me out for it!!

—George Hughes

When I think of Ken I see his warm friendly smile. He was a kind-hearted man, a good man and he is missed. I know he loved the LORD so he is in paradise, still smiling, still singing, still dancing! I am so happy he was able to have the Palm Sunday Dance. He told me that was important to him. I just wish I would have been there.

Ken, I am so happy our paths crossed, thank you for teaching me to square dance. The dance continues my brother and I will see you again someday! Sure wish you would have done the Christmas Polka song early spring when I asked and you just smiled and laughed.

—kaspice

Loved Ken's "All Singing Calls" dances at Clinton County Country Squares every 5th Thursdays. Ken also gave me the confidence that I could square up and dance with others at the Ohio & National Square Dance Conventions. — Char Grim

Twenty Five years of Dancing, Service and Leadership are full of significance for one special dancer, Miss Linda Hasting. Linda was the 2015 nominee for the Miami Valley Dance Council Honor Roll Dancer representing the Yellow Springs Yellow Rockers and she received this Award.

The saying goes "If you want something done, "Ask a busy person" and over the years Linda has been a very busy and dedicated volunteer to her club, the Yellow Springs Yellow Rockers, and to her Council, the Miami Valley Dance Council.

From the moment Linda stepped on the dance floor in 1989 square dancing shaped and changed her life. Always with a smile on her face and a square dance song in her heart Linda said yes and served in the positions of President, Vice President and Club Nominations Chairman.

Nomination Form

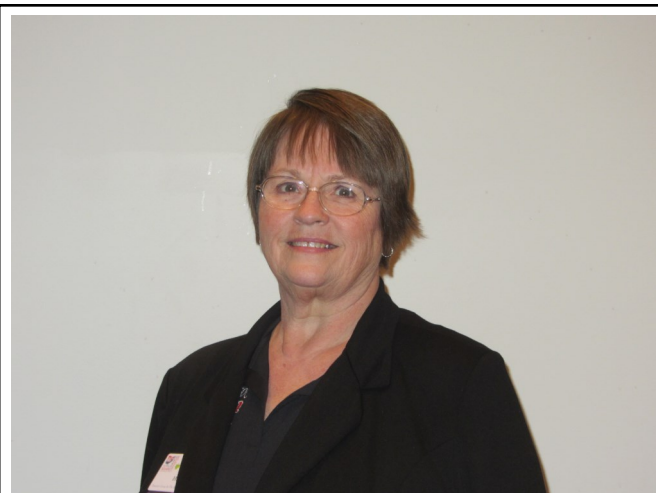

Linda also served her club as a behind the scene "worker bee" making sure home dances were set up, taken down, and helped angel both round and square dance classes.

Miami Valley dancers often found Linda dancing at many special square dance activities including Demo's from Dayton to Xenia and everywhere in between and summer workshop classes and weekends in Ohio, Indiana and Kentucky.

From 2005 thru 2014 Linda proudly represented the Miami Valley Dance Council in the positions of President, Vice President, Trustee, Michael Solomon Support Committee Liaison, Awards Chairman and Constitution and Nominations Committee.

Volunteering by Linda was not kept at the local level as Linda's experience and expertise guided her thru a variety of Ohio State Square Dance positions. From 2005 thru 2011 Linda assisted the Ohio Dance Conventions as Publicity Show Participant, Showcase of Ideas Committee, Sewing Room Chairman, and Publicity Show Chairman including the writing and directing Miami Valley welcome skit performed in both 2010 and 2011. Dancers easily spotted Linda on the dance floor as she attended Ohio Dance Conventions from the early 1990's in Toledo, Dayton & Columbus, to Cincinnati in 2005 thru Aurora in 2015.

With attendance at National Conventions in 2010 (Louisville) 2014 (Little Rock) 2015 (Springfield), and Pre Conventions at 2014 (Springfield) and 2015 (Des Moines) Linda served as Secretary of the Queen City Board representing the 66<sup>th</sup> National Square Dance Convention in 2017 (Cincinnati).

Linda spent many hours as Convention Secretary for the 66th National Square Dance Convention in Cincinnati, June 21—24, 2017.

In 2008 Linda attended the Singles Square Dance USA Convention in Nashville as well as 2013 (St. Louis) and 2014 (Portland).

As a past active member of Super B's, Xenia Hospitality Squares and A-Sharps, and a member of Yellow Spring Yellow Rockers, Kittyhawk's Square and Round Dance Club and Whirlaways, Linda's commitment and dedication to all levels of Square and Round Dancing is nothing short of dazzling.

Easy going, giving and forgiving aptly describes Linda's personality. She readily shared her warm smile and always had a Yellow Springs Yellow Rock for old friends and new acquaintances.
